

## The Prism Referral Programme

This is exclusively for Prism's valued corporate network of past clients and professional advisors within finance, accountancy and legal.

The Programme rewards those who refer to us people who are considering selling or buying a technology business (meeting our preferred criteria) and we go on to do work for them.

### The Stages

1. You facilitate an introduction with Prism.
2. If the relationship between your referral and Prism progresses to engagement for work, you will receive a gift from us.
3. When we have completed the initial work for your referral, we will send you 5% of the invoiced value.

Terms and Conditions apply, please see below.
